## Tube & Pipe Fair 2023: AN OVERVIEW

Tube & Pipe Fair 2023, an International Exhibition, will concurrently take place with the fifth edition of Cable & Wire Fair 2023 – India's premier wire and cable expo – at Pragati Maidan, New Delhi, India, from 6-8 October 2023. It is an exhibition for the Indian tubes and pipes industry focusing on technology, value enhancement from raw material sourcing to production, and delivery of the finished products to the consumers.

As one of the pivotal international tube and pipe trade platforms in India, the upcoming Tube & Pipe Fair 2023 will bring together established brands. It is expected that these events together will attract over 10,000 quality visitors and act as a platform for a wide range of exhibits nearly 300 Indian & International leading brands.

## Event Objectives

- Showcasing the latest products and technologies, state-of-the-art machinery, equipment, applications, and developments in the tubes and pipes industry;
- Disseminating information about new applications related to the industry among user segments;
- Disseminating information about developments and the best practices in analysis, design, and construction methodology pertaining to tube and metal fabrication;
- Understanding the global manufacturing industry and attaining know-how of the innovations taking place.

## Benefits of Participation

- A highly focused B2B exhibition in New Delhi, India;
- To be held alongside an established exhibition – Cable & Wire Fair 2023, will provide excellent brand visibility;
- A display of raw materials, technology, and finished goods under one roof;
- An ideal platform for launching new products and finding targeted networking opportunities, sales agents and distributors in new markets;
- A big opportunity to foster interaction with various emerging businesses and industry leaders;
- Discussion on how to make the supply chain more robust;
- It will enable you to make a clear assessment of the current market growth and understand future growth potential.

## Exhibit Profile

- Tube, Pipe, Profile Manufacturing Machinery
- Tube, Pipe, Profile Processing Technology
- Steel Processing Technology
- Auxiliary Tools & Equipment
- Measuring, Control & Testing
- Materials and Consumables
- Specialist Areas
- Rebuilt and Reconditioned Machinery
- Steel & Other Metals
- Plastics and Composites
- Tube, Pipe, Profile Manufacturers & Traders
- Fittings, Fasteners, Pump and Valve

## Visitor Profile

- Manufacturer of Stainless Steel, Ferrous & Non-Ferrous Tube, Pipe & Profile
- Manufacturer of Composite & Plastic Tube, Pipe & Profile
- Trader of Stainless Steel, Ferrous & Non-Ferrous Tube, Pipe & Profile
- Trader of Composite & Plastic Tube, Pipe & Profile
- End Users / Institutional Buyers of Tubes & Pipes:
  - ✓ Oil & Gas
  - ✓ OCTG
  - ✓ Chemical & Petrochemicals
  - ✓ Public Utilities
  - ✓ Automobile, Aeronautical & Rail
  - ✓ Shipbuilding, Offshore, Marine
  - ✓ Refrigeration & HVAC
  - ✓ Building & Construction
  - ✓ Power & Steam Generation
  - ✓ Water Treatment
  - ✓ Heavy & Process Industries
  - ✓ Others

## Media Partner

Tube & Pipe India is a bi-monthly

magazine publication aimed at disseminating information about all that is happening in the dynamic and evolving tube and pipe industry. A product of Tulip 3P Media Pvt Ltd, Tube & Pipe India is strongly committed to providing quality content with the aim to showcase the industry news, trends, technology, detailed feature articles, and interviews. The comprehensive news platform presents all the latest developments in the global tube & pipe industry, offering a complete perspective that allows you to be a step ahead!

## Concurrent Events

India's Premier Wire & Cable Expo

Cable & Wire Fair is now an undisputed leading Indian exposition for the

global cable and wire industry. The success of the 4th edition is the perfect testimony! The exposition with its conference has proved matchless, and a non-parallel event. CWF is an ecosystem which keeps expanding year on year.
