Tube & Pipe Fair: Polarizing the Industrial Growth Phase

Tube & Pipe Fair assists the global tubes and pipes industry in harnessing the benefits from a period of growth, development, achievements, and sky-rocketing returns. Tube & Pipe Fair (TPF) is a one-stop showcase platform allowing the exhibitors to directly communicate with various industry players, from suppliers to customers, and reap the benefits of the convergence of established industrial giants, global companies, and start-ups. Exhibitors have a chance to build brand awareness, advertise to a wide pool of industry players, and build a network of cordial relations, business deals, and joint ventures. Fair competition is the lifeline of any industry, and TPF gives all the participants an equal chance to harness growth opportunities with the only limit being their imagination. TPF is organized on a thematic approach to showcase all the latest products, technologies, machinery, successful R&D, and possible innovations impending in the industry's growth.

Tube & Pipe Fair Milestones

2022

Launched Tube & Pipe India Magazine

Tube & Pipe India (TPI) is a bi-monthly magazine publication aimed at disseminating information about all that is happening in the dynamic and evolving global tube and pipe industry offering a complete perspective that allows you to be a step ahead! A product of Tulip 3P Media Pvt Ltd, TPI is strongly committed to providing quality content with the aim to showcase the industry news, trends, technology, detailed feature articles, and interviews.

2023

Organized 1st Edition of Tube & Pipe Fair in Delhi

The 1st edition of the Tube & Pipe Fair (TPF) was held from 6th to 8th October 2023 along with Cable & Wire Fair at the newly constructed halls – hall no. 2, 3, 4, & 6 at Pragati Maidan, New Delhi on a single platform of 250,000 square feet area, offering the best opportunities for networking & marketing of new technologies, latest products and innovations in the tube and pipe industry. Despite being the 1st edition, Tube & Pipe Fair 2023 earned high fanfare and appreciation by the industry.

2024

2nd Edition Extending Boundaries to South

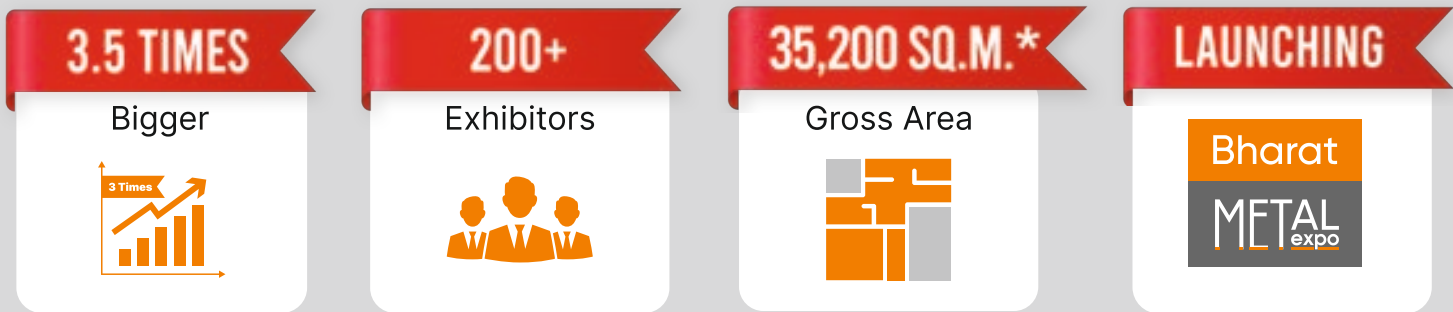

On industry's demand and high fanfare, Tube & Pipe Fair branched out to South, concluding successfully on a high note from 5-7 August 2024 at HITEX, Hyderabad.

2025

3rd Edition of Tube & Pipe Fair in Delhi

The 3rd edition of TPF is scheduled from 4-6 November, 2025 at New Delhi- Bharat Mandapam (Pragati Maidan).

Water Treatment	Heavy Industries	Electrical Industry	Gas Cylinders

Tube & Pipe Fair, 2024

Evolved Platform Plugging More Industry Gaps

With hundred plus brands, seventy exhibitors and a significant footfall, the southern chapter of the fair has emerged as the largest convergence of the tube and pipe industry in South Asia. The three-day event witnessed a rich display of latest product ranges, several state-of-the-art technologies and various new solutions, presenting a true reflection of the state of the industry.

Exceeding our expectations, the second edition of Tube & Pipe Fair, 2024, held at Hyderabad’s HITEX Exhibition Centre from August 5-7, has taken the game to another level. The convergence is a true reflection of the state of the industry, where many have grown big, new players have joined the game, remarkable technologies have been introduced and many are planning significant investments and footprint expansion.

S Exhibitors PEAK

Tube & Pipe Fair 2023-24

Our company, Jindal Industries Private Limited Hissar, received an amazing response from the industry at Tube & Pipe Fair- South. The event provided an excellent platform for us to increase brand awareness, connect with existing and potential clients, and capitalize on the growing demand for its products.

Mr. Sunil Jain, Director & CEO, Jindal Industries Private Limited (Hissar)

The experience here at the exhibition has been good. There are lots of tube manufacturers present in the exhibition. So it has given us a very good networking opportunity within the community. What I would look forward to in future is to include more technology providers so that we as a manufacturer can see what is new in the market and it can help us to improve our technology as well.

Mr. Ashish Aggarwal, ED- Steel Division, Surya Roshni Limited

It's the second day and still buzzing with a lot of energy. The industry, everyone is very upbeat about the future of what India holds for the world. And I am glad to see all my peers from the industry growing year over year. And it has really inspired me also and our organization in general, overall, to keep up with everybody and keep continuing to do what we have been doing and grow further.

Mr. Hitesh Agarwal, Director, MPL Group

Participating in this exhibition has been a huge opportunity for us. All the suppliers, traders and manufacturers are present under one roof which gives an excellent opportunity for networking. This fair helps us to increase the awareness of our brand and also helps us gain know-how of the industry. I am thankful to the Tube & Pipe Fair team for organizing this exhibition and giving us the opportunity to participate in the exhibition.

Mr. Vikas Goyal, CEO & Managing Director, Sambhv Steel Tubes Limited

As Co-Partners of this year's Tube & Pipe Fair in Hyderabad, we couldn't be more thrilled with how everything turned out. The response we received was truly amazing, exceeding our expectations in every way. We connected with dealers, traders, and manufacturers who will be invaluable to our business moving forward. We look forward to participating in future editions and hope to continue building strong relationships within the industry.

Mr. Nishant Garg, Director, MKK Metal Sections Private Limited

We have participated for the first time in this exhibition. Experience has been good. The promoters are very cordial. The cooperation from the management side was really good. Everyone is very cooperative. Our experience from the exhibition was very good. We are satisfied with the response and we are looking forward to the next exhibition in Delhi.

Mr. KS Sinha, Executive Director, Venus Pipes & Tubes Limited

This is our second year at the Tube & Pipe Fair. We had a wonderful experience. We received lots of genuine inquiries and we clicked some orders as well. Thank you so much Tulip 3P Media for giving us the opportunity. The crowd that was here was genuine, and we look forward to your support to grow our company in the future.

Mr. Pawan Singh, Managing Director and Ms. Pranavi Singh, Executive Director, Ananta Group

It was a great experience at the Tube & Pipe Fair. We met new and potential customers along with our existing customers. This fair has given us the opportunity to meet our clients in person. This enhances the interaction for better understanding. Overall, the exhibition was really great. Special thanks to the Tube & Pipe Fair team for giving us the chance to participate in this exhibition.

Mr. Parin Mehta, Director - Exports, Blumet Tubes Private Limited

It's our first time here with the Tube & Pipe Fair and we are really glad that we got an amazing response here. We met many dealers, traders and manufacturers as well who are going to be too useful for us in the near future. We have build good relations with too many people at this exhibition. We were glad to see the footfall, it's really good. We are looking forward to participate more and more here again.

Ms. Briyanshi Sanghvi, Business Development Manager, Ratnaveer Precision Engineering Limited

My experience with Tube & Pipe Fair has been good and the services were very good and it was a very smooth experience that I had with them. Whatever we needed, was done very smoothly and we are going to exhibit again with Tube & Pipe Fair.

Ms. Sahina Malhotra, Director, Saffaire Industrial Saws (I) Pvt. Ltd.

We are participating in the Tube & Pipe Fair for the second time. It has been a great show. The hospitality of the Tube & Pipe Fair team has exceeded our expectations. The fair has a very positive ambiance and it has been a pleasure for us to be here.

Mr. Rohit Pareek, Head - Strategy and Business Development, Satyam Iron & Steel Company Pvt. Ltd.

Tube & Pipe Fair has helped us to gain industry insights. We came to know about the depth of the stainless steel market. We realized that we have a scope of expansion in this field, and we met lots of traders through this fair where we exchanged data and had fruitful discussions. We aim to increase our business in Hyderabad with the help of this fair.

Mr. Nigamananda Choudhury, Director, Krypton Steelworks Private Limited

The footfall is very good, and the ambience and the way they have organized the fair, I congratulate them. They have organized it very well. And what I see, there are some real customers and they are not just visitors. Serious people are visiting as well. We have great hope. So this year it seems very good for companies like us. People are coming from overseas. I met people from Sri Lanka, Burma, and Saudi Arabia. They are our existing customers also.

Mr. R K Bansal, Director, GMT Industries Limited

We have been associated with the Tube & Pipe Fair team since their 1st edition in Delhi. This platform provides good opportunities, good number of clients covering every corner of the country. In this exhibition, we had customers from all over India, including Assam, Tamil Nadu and Jammu & Kashmir. We also received a few export inquiries. We found some potential clients, and I hope to convert them into a good clientele.

Mr. Shivam Agarwal, Director, DADU Pipes Private Limited

This is the second time we are participating with Tube & Pipe Fair. So far the experiences have been very pleasant. This is a very unique show where a lot of pipe manufacturers are able to meet up with their vendors. We have around 15-20 manufacturers coming over here trying to see our products. You can have a look at it, touch and feel. I think it's a very good opportunity for sharing knowledge, for interacting with the manufacturers..

Mr. Suresh Nair, Vice President, Shalimar Paints Limited

Tube & Pipe Fair has been a perfect platform for us to create brand awareness. This has helped us to strengthen our customer base in and around India. We are glad to be a part of this wonderful exhibition, Tube & Pipe Fair. This is the second time we are participating in this exhibition and we are looking forward to more such exhibitions from them. We got many good quality customers from this exhibition. We came to know about many big companies and they are part of us now.

Mr. Vijay Thammiraju, Manager- Sales & Marketing, Guangzhou Blue Sky Machine Co Ltd.

We are quite satisfied with the fair. We met a lot of friends and gained some new contacts through this fair. It seems to be a very successful exhibition for us and it was the right decision and choice for us to participate in Tube & Pipe Fair- Hyderabad. This was the first time that we participated in this fair and it turned out to be fruitful for us. The fair has been organized really well.

Mr. Darius Geldner, Managing Director, Mahler GmbH

We are very happy to be a part of the Tube & Pipe Fair Hyderabad, and we wish all great success for the upcoming events. On behalf of A-One Steel Group, we are happy that we got very good response from all parts of India. We are looking forward to participating in the next edition of Tube & Pipe Fair. Thanks to Tulip 3P Media for giving us the opportunity to participate in the Tube & Pipe Fair South.

Mr. Anand Mohan Dixit, Vice President - Sales and Marketing, A-One Steel Group

We are very happy to be here at Tube & Pipe Fair - Hyderabad. We are thankful to Tube & Pipe Fair for giving us a platform to increase our reach to the southern region of India. We hope to keep the association strong with them.

Mr. Utkarsh Bansal, Director, Utkarsh India Limited

This is the first time that we are participating in the Tube & Pipe Fair. Our experience has been very good. We are getting to see how the industry is evolving at a faster pace. We found customers coming from different areas, different geographies. We are able to see the vision of big players in the industry and how they are projected to grow in the future. We had good interactions with customers, and industry leaders.

Mr. Kamal Gupta, General Manager - Sales, Raj Petro Specialities Private Limited

We are delighted to participate in the first exhibition of Tube & Pipe Fair India. We have received a lot of interest from numerous customers, including promising leads and potential collaborations for projects. We firmly believe that showcasing the product allows customers to appreciate the quality. Therefore, we are here with one of our machine ranges, confident that it's the right decision

Mr. Carlo Fratini, Business Development Manager, Crippa

We have been working with Tulip 3P Media for a number of shows now and it has always been effective for us. It has been a really good investment and turns into good ROI in the best cases.

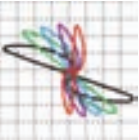

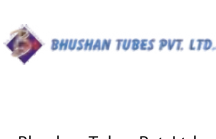

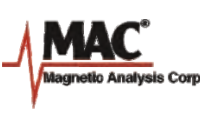

Mr. David Garrard, Director - APAC, Xiris Automation

We had an amazing experience at the Tube & Pipe Fair. It was our first expo experience and we are looking forward to more such experiences with Tube & Pipe Fair especially in Delhi. Through the fair, we hope to create a bigger mark in the industry.

Mr. Pranay Agrawal, Director, Hira Group
